

**THE BOARD  
OF  
SAND HILL LAKE BIBLE CAMP**

**PRESENTS**

**THE PAVILION PROJECT**

This project has been desired for a number of years and in conjunction with the celebration of 40 years of camping ministry, the board of Sand Hill Lake Bible Camp presents the pavilion project! Fellowship is a big part of camp and the pavilion would enhance this aspect as well as be a screened in camp fire atmosphere when the weather/ mosquitoes are not desirable. If you could donate towards this project as a gift of love and thankfulness for the Lord's work at SHLBC, or invest in the future of children, youth, and families, or to thrust forward in charitable giving even in these times of uncertainty, we would be eternally grateful. You can specify \$\$\$ towards a desired item or dollars will be used where needed most in the project. Funds given to the project will be used for the project. Check the website often to see the progress. Remember that all gifts are tax deductible.

On the reverse side of this insert please find a list of categories needed and an estimate for those areas.
